[79] Note that for unreal+ difficulty ratings are very likely to end up inaccurate once verified, as difficulty perceptions at this level change a lot due to strats/lack of exploration of this difficulty.
basically take the difficulty ratings on unreal+ with a grain of salt

[80] It's not 100% required to pay into the group for larger bounties, but be aware that all bounties that aren't paid into the group carry a degree of risk and we cannot ensure that the bounty creator will pay out.
